

The Kentucky State Police Foundation
1303 US Hwy 127 S. Suite 402-204
Frankfort, Kentucky 40601
(859)358-0903

Dear Supporter,

The Kentucky State Police Foundation is proud to present the 2022 "**Run to Remember 5K**" on September 10, 2022. This is a family-oriented 5k walk/run that will pay tribute to The Kentucky State Police's fallen heroes.

This event will raise money to help the KSP Foundation fund the building of a Driver Training Skills Pad to conduct driver training. **Forty-seven percent of all KSP line-of-duty deaths have stemmed from vehicle collisions.** This driver skills pad will allow KSP to enhance training that will reduce the number of fatalities/injuries by troopers.

Thank you for considering sponsorship opportunities for the "**Run to Remember 5K**". Your investment will directly impact the safety of KSP troopers and officers.

Enclosed you will find the 2022 sponsorship form which outlines the various sponsorship levels. If you have any questions, please contact Renee Wagner at 502-782-1774 or [***renee.wagner@ky.gov***](mailto:renee.wagner@ky.gov).

For more information about the Kentucky State Police Foundation and the positive impact it provides for the men and women of the KSP, please visit: [***www.kspfoundation.org***](http://www.kspfoundation.org)

Thank you for your support!

THANK YOU

for supporting the Kentucky State
Police Foundation.

Saturday, September 10th, 8:30 am EST

The Kentucky State Police Training Academy—300 Coffee Tree Rd., Frankfort

The Run to Remember is a 5k fundraiser that pays tribute to the Kentucky State Police's fallen units that have made the ultimate sacrifice. The Kentucky State Police Foundation is undertaking the largest capital project in the history of the Foundation, and it will positively impact officer safety. In 2016, Kentucky State Police determined the need of a 400ft by 600ft Driver Training Skills Pad to conduct driver training and low speed vehicle techniques. KSP currently uses other agencies facilities, with some being located out-of-state. We are raising funds to build a dedicated Driver Skills Pad on the KSP Academy grounds. This facility will be used in day-to-day in-service training, cadet vehicle training, and mandated vehicle driving training. Currently, 47 percent of all KSP line-of-duty deaths have stemmed from vehicle related collisions. This driver skills pad allows KSP to enhance training that will reduce the number of vehicle fatalities/injuries by sworn personnel.

Please help us fund this project and meet a critical need!
